- Monthly report
- Agricultural fee schedule options:

1) Retain the current fee structure, with an application fee of \$60 and a square foot additional fee of \$0.25 per square foot, but cap the total additional fee at \$270 (based on a maximum time involvement of 6 hours including all potential inspections) This would result in a structure of 1,080 square feet meeting the maximum total permit cost of \$330.

2) A tiered fee structure, similar to the examples provided earlier from Dover Plains and Rhinebeck. To parallel the total permit fees as outlined above, the tiers could be:

- A) Up to 600 square feet \$100
- B) 601-1500 square feet \$200

C) 1501 square feet or larger \$300

Proposed Short - Term Rental
Town of Washington
Local Law No.____ of the year 2023.

A local law of the Town of Washington amending the Town Code of the Town of Washington to add Chapter 166 Entitled: Short-Term Rentals.

Section I. Title.

This local law shall be known as and may be cited as Local Law No.____ of 2023, to amend the Washington Town Code to add Chapter 166 entitled "Short-Term Rentals" requiring owners to obtain a Short-Term Rental Permit from the Town of Washington in order to continue or commence operation of a Short-Term Rental.

Section II. Authorization.

The adoption of this Local Law is in accordance with §264 of the New York Town Law and §10 of the New York Municipal Home Rule Law.

Section III. Legislative Intent and purpose.

The Town recognizes that Short-Term Rentals provide economic benefits to the Town and allow property owners to earn supplemental income. The Town, however, also recognizes that it would be beneficial for the Town to control and regulate the use of Short-Term Rentals within the Town of Washington. The provisions of this section are intended to preserve and protect the health, character, safety, and general welfare of the residents of and visitors to the Town and to mitigate the adverse effects of Short-Term Rentals.

Section IV. Amendment.

The Washington Town Code shall be amended to add Chapter 166 entitled "Short-Term Rentals" as follows:

§166.1 Definitions.

As used in this chapter, the following terms shall have the meaning indicated:

Owner or Owners – Owner or Owners shall include the person or people actually owning real property, a person or people holding membership interests in a limited liability company, a person or people holding a partnership interest in a partnership or limited liability partnership, the trustee or trustees or a trust, a person or people owner shares in a corporation.

Code Enforcement Officer – The term “Code Enforcement Officer” shall include the Building Inspector, the Zoning Administrator, the Code Enforcement Officer and any other person charges with enforcing the Code or local laws of the Town and any applicable building, fire and residential codes of New York State.

Short-Term Rental - Any portion of a dwelling unit or housing unit (as defined in any applicable NYS Fire, Building or Residential Code) rented for compensation in exchange for lodging for a period of not more than thirty-one (31) consecutive days, including the primary structure or a permanent accessory structure. This may not include campgrounds, tent sites or tent platforms, and other temporary structures on the parcel. For the purpose of this Chapter, the term "Short-Term Rental" shall not include a bed-and-breakfast, boarding/lodging house, hotel, motel, or ongoing month-to-month tenancies. In addition, there shall be no more than one Short-Term Rental per property. Short-Term Rentals are allowed everywhere in the Town regardless of the zoning district.

§166.2 Presumption of Dwelling Unit as Short-Term Rental Property.

A. The presence of the following shall create a presumption that all or a part of the property is being used as a Short-Term Rental:

- (1) All or a part of the property is offered for lease on a short-term rental website, including but not limited to Airbnb, Home Away and VRBO, for a rental period of less than thirty-one (31) days; and/or

(2) All or a part of the property is offered for lease for a period of thirty-one (31) days or less through any form of advertising.

B. The foregoing presumptions may be rebutted by evidence presented to the Code Enforcement Officer that the premises is not operated as a Short-Term Rental.

§166.3 Required Permit.

A. Owners shall not advertise or use their property as a Short-Term Rental without obtaining a revocable Short-Term Rental permit in advance. Short-Term Rental permits shall be limited to two permits for each owner for each two-year cycle. Only an owner or owners of the property can obtain a Short-Term Rental permit (meaning that tenants or other occupants cannot apply for or obtain one).

B. A Short-Term Rental Permit shall be valid for two (2) years and must be renewed thirty (30) days prior to expiration of current permit if the premises is to continue to operate as a Short-Term Rental.

C. The Short-Term Rental permit is not transferable to a new owner. The new owner of the premises subject to a Short-Term Rental permit must file a new permit application.

D. Notwithstanding the foregoing, those properties with Short-Term Rental commitments existing on the date this section takes effect shall be permitted to honor such existing commitments and continue to make commitments for Short-Term Rentals, but must apply for a permit within 180 days of the Local Laws effective date for all future Short-Term Rental commitments. In the event such application is denied, all commitments shall be cancelled.

§166.4 Short-Term Rental Permit Application Requirements.

A. Applications and application forms for a Short-Term Rental Permit may be obtained at the Town of Washington Town Hall or Town website and fully completed applications shall be submitted to the Code Enforcement Officer, accompanied by payment of a nonrefundable application fee to be determined from time to time by resolution of the Town Board. Park Updates

- PARK IS OFFICIALLY OPEN ON WEEKENDS - 11am - 7pm

Weekdays begin - June 27 Noon - 6pm

In order to keep the pool open there must be experienced lifeguards that are 18 and older. These lifeguards tend to be college students and go to school mid August. Therefore the pool season will most likely end August 13th.

-One firm was present for the pre-bid meeting at the town park for the upgrades to the building. It went very well and they are interested. Since there are no plans for the building they will have to be created.

Pavilion rentals to date are 26

Thank you to Joe Spanola for repairing a broken pipe on the chlorine pump on May 30th. Without that fix the pool would not have been able to open.
