Town Performing Road Reviews in the Village of Millbrook

Please be advised that a representative from the Office of the Assessor, Nancy Patrick, will be performing road reviews in the Village of Millbrook. The dates of the site visits are April 8 - 15th. The road reviews will be concentrating on properties that have had construction such as garages, additions and pools. Due to the Coronavirus, all reviews will be done from the car and there will not be any interaction with the property owner.

Mrs. Patrick will be driving a 2013, brown Honda Civic. The car will have a door magnet with the Town of Washington insignia and states "Assessor".

Questions regarding the road reviews may be directed to Assessor Lisa Evangelista.
