Supervisor Ciferri
Town of Washington
10 Reservoir Dr.
Millbrook, NY 12545

Killearn Road Improvements
Colliers Engineering & Design Project No. 21003140G

Dear Supervisor Ciferri, Town Board Members & Superintendent Spagnola

Enclosed within our e-mail correspondence please find our Draft Engineer's Report for Killearn Road. The study is comprehensive, touching on all topics our firm discussed with the Town Board and Superintendent Spagnola during various meetings.

We expect the Town would like ample time to review the study and then meet with our engineers to discuss in more detail. We recommend scheduling this meeting at a time of your convenience after the Thanksgiving Holiday. Following a meeting, Colliers will finalize the report and conclude our services. In the meantime, we are available to answer any questions you may have via e-mail at Daniel.farnan@collierseng.com, or by phone at 518-459-3252.

Sincerely,

Colliers Engineering & Design CT, P.C.
(DBA Maser Consulting Engineering & Land Surveying)

Daniel Farnan, PE, CPESC, CPSWQ
Project Manager
