

TOWN OF WASHINGTON
Request for Professional Services
Well for Town Park

The Town of Washington is seeking sealed proposals for professional engineering services for the design of a well and pumping equipment system at the Town Park located at 3744 Route 44, Millbrook, NY 12545 (tax map parcel 135889-6865-00-486376-0000). Please visit the Washington website: <https://www.washingtonny.org/document-center/request-for-proposals/rfp-engineer-for-well-and-water-at-washington-town-park.html>

The well and water supply system is to be designed in accordance with State and Local DOH requirements and for approval by the Dutchess County Department of Health. The professional engineer shall also prepare an RFP for a well driller and water system installer including all related plumbing, electrical and site work using prevailing wages.

Questions regarding this project may be directed to Councilman Bob Audia, who may be reached at 845-206-8096. Please refer to the attached site map.

Interested parties should include:

- A letter of interest detailing your firm and similar projects
- Rates for staff expected to work on the project
- Expected number of hours to complete the project, including a meeting with the Town Board to present the plans
- An end date for when the work will be completed
- Three professional references
- Non-collusion certificate
- Envelope should be labeled: “Sealed proposal, Professional Services”

Sealed, signed proposals will be accepted until March 14, 2023 at 12:00 noon, at the Town of Washington Town Clerk’s Office and will be opened on that date at that time. The Town of Washington reserves the right to reject any and all proposals, with or without cause.

By the Order of the Town Board
Mary Alex, Town Clerk
March 1, 2023
