A. Purpose.

The purpose of this local law is to provide for the licensing and identification of dogs, the control and protection of the dog population and the protection of persons, property, domestic animals and deer from dog attack and damage.

B. Definitions.

1. All terms not specifically defined herein shall have the meaning assigned to such terms within § 108 of the Agriculture and Markets Law of the State of New York; specifically, the following terms shall have the meaning given to them within that statutory section: "adoption"; "dog"; "domestic animal"; "euthanize"; "guide dog"; "harbor"; "identification tag"; "identified dog"; "official identification number"; "owner"; "owner of record"; "person"; "police work dog"; "war dog"; "hearing dog"; "service dog"; and "person with a disability."

2. As used in this article, the following terms shall have the meanings indicated:

CLERK -- Town Clerk.

RUN-AT-LARGE -- To be an unleashed dog off of the premises of the owner.

TOWN -- Town of Washington

C. License Required.

1. Pursuant to Article 7 of the Agriculture and Markets Law, no person shall own or harbor a dog within the Town of Washington unless such dog is licensed. Such license shall be renewed annually at fees determined by the Town Board of the Town of Washington. There shall be no fee for any license issued for any guide dog, hearing dog, service dog, war dog or police work dog, and copies of any license for such dogs shall be conspicuously labeled as such by the person issuing the license.
2. In accordance with Article 7 of the Agriculture and Markets law, the following are exempted from the licensing requirement:
 - a. Dogs under the age of four months, which are not at large, shall not require a license:
 - b. Dogs residing in a pound or shelter maintained by or under contract or agreement with the state or any county, city, town or village, duly incorporated society for the prevention of cruelty to animals, duly incorporated humane society or duly incorporated dog protective association.
3. Grace period: Any dog harbored within the Town of Washington which is owned by a resident of New York City or licensed by the City of New York, or which is owned by a non-resident of New York State and licensed by a jurisdiction outside the State of New York, shall be exempt from the licensing and identification provisions of this local law for a period of thirty (30) days.
4. The application shall state the sex, actual or approximate age, breed, color and municipal identification number of the dog, and other identification marks, if any, and the name, address, telephone number, county and town, city or village of residence of the owner.
5. The application shall be accompanied by the license fee and a certificate of rabies vaccination or a statement certified by a licensed veterinarian stating that, because of old age or other reason, the dog's life would be endangered by the vaccine. In the case of a spayed or neutered dog, every application shall also be accompanied by a certificate signed by a licensed veterinarian or an affidavit signed by the owner showing that the dog has been spayed or neutered, provided that such certificate or affidavit shall not be required if the same is already on file with the Town Clerk. In lieu of the spay or neuter certificate, an owner may present a statement certified by a licensed veterinarian stating that he has examined the dog and found that, because of old age or other reason, the life of the dog would be endangered by spaying or neutering. In such case, the license fee for the dog shall be the same as for spayed or neutered dogs.

6. Dogs will be licensed for a one year license period. The expiration date will be the last day of the month of issuance, one year from the date of issuance.
7. No license shall be issued by a pound, shelter, or any other entity, on behalf of the Town of Washington.
8. The Town of Washington will not issue purebred licenses. All dogs will be licensed individually in accordance with this Local Law.
9. Dog licenses issued by another agency, municipality or shelter will not be recognized by the Town of Washington. The Town of Washington does not credit unexpired terms of licenses issued by another municipality, nor does it refund licensing fees for any reason, including, but not limited to: dogs and dog owners that relocate to a municipality other than the Town of Washington, dogs that are no longer alive, dogs that are relinquished or transferred to another owner and dogs that are missing, gone or lost.
10. Upon validation by the Clerk, the application shall become a license for the dog described therein. Once an application has been validated, no refund therefore shall be made.
11. The Clerk shall provide a copy of the license to the owner and retain a copy in the Town Clerk's office.
12. No license shall be transferrable. Upon the transfer of ownership of any dog, the new owner shall immediately make application for a license for such dog.

D. Change of Ownership.

1. In the event of a change of ownership of any dog which has been licensed pursuant to this Local Law, or in the change of address of the owner of record of any such dog, the owner of record shall, within ten (10) days of such change, notify the Town Clerk of such change.
2. If any dog which has been licensed pursuant to this Local Law is lost or stolen, the owner of record shall, within 10 days of the discovery of such loss or theft, notify the Town Clerk of such loss or theft. The owner of record of any such dog shall not be liable for any violation of this Local Law committed after such notification.
3. In the case of a dog's death, the owner of record shall so notify the Town Clerk either prior to the renewal of licensure or upon the time of such renewal.

E. Fees.

1. Dog licensing fees shall be determined by the Town Board of the Town of Washington and may be amended at any time by said Town Board. All revenue derived from such fees is the sole property of the Town of Washington and shall be used for the purposes permitted by Article 7 of the Agriculture and Markets Law.

2. In addition to the fees set by the Town Board of the Town of Washington, an additional \$1.00 shall be assessed to a license for an altered dog and an additional \$3.00 shall be assessed to a license for an unaltered dog. This additional charge is assessed for the purposes of carrying out animal population control efforts. As the Town of Washington does not have its own animal control program, these surcharge dollars will be remitted by the Town Clerk to the state animal population control fund, as required by Agriculture and Markets Law §117-a(7).
3. When the Town Board of the Town of Washington determines the need for a dog enumeration or dog census, a fee of \$30.00 will be assessed to all dogs found unlicensed or renewed at the time the enumeration is conducted. Such fees shall be the sole property of the Town of Washington and shall be used to pay the expenses incurred by the Town in conducting the enumeration. In the event that the additional fees collected exceed the expenses incurred by the Town in conducting an enumeration in any year, such excess fees may be used by the municipality for enforcing this Local Law and for animal population control programs.
4. In addition to the license fee of this law, each applicant for a dog license shall pay a surcharge of \$3.00, which shall be retained by the Town of Washington and used to defray the cost of providing a replacement identification tag.
5. Pursuant to Agriculture and Markets Law §107(4), the licensing process and fees set forth in this Local Law do not apply to any dog confined to the premises of any person, firm or corporation engaged in the business of breeding or raising dogs for profit and licensed as a class A dealer under the Federal Laboratory Animal Welfare Act.

F. Identification tag required.

1. All dogs required to be licensed must wear an identification tag, bearing the municipal identification number, attached to a collar at all times. No dog shall be permitted to be without a collar and an identification tag. All untagged dogs shall be subject to seizure and confinement by the Dog Control Officer. The collars of all dogs four months and over shall also have a tag evidencing rabies vaccination.
2. No tag carrying an identification number shall be affixed to the collar of any dog other than the one to which that number has been assigned.
3. A dog participating in a dog show shall be exempt from the identification requirements of both Agriculture and Markets Law §111 and this local law during such participation.

G. Female dogs in heat.

Any female dog in heat shall be confined within a protected enclosure on the premises of the owner or person harboring the dog.

H. Adequate shelter.

All premises occupied or used by dogs shall be kept in a clean and sanitary condition. Failure to provide adequate food, water or shelter shall be a violation of this local law and shall constitute grounds for seizure of the animal hereunder. These principles shall apply both to individual owners and to any other persons harboring dogs for training, retail sale or boarding.

I. Restrictions.

1. It shall be unlawful for any owner of any dog to permit or allow the animal to:
 - a. Run-at-large without control by an adequate leash when the dog is off the property of the owner. If at large or off its leash, such dog shall be subject to seizure and confinement.
 - b. Engage in a recurring practice of howling, barking, crying or whining so as to unreasonably disturb the comfort or quiet enjoyment of any person other than the dog's owner. A minimum period of 1/2 hour (30 minutes) of excessive noise shall be deemed necessary to constitute a violation of this section. The person owning or possessing a dog committing an act prohibited herein, with or without the knowledge, consent or fault of such person, shall be guilty of a violation of this section.

Establishment of the fact or facts that the owner of a dog has allowed or permitted such dog to commit any of the acts prohibited by Subsection 1 of this section shall be presumptive evidence against the owner or harborer of such dog that he has failed to properly confine, leash or control his dog.
3. Dogs are permitted in Town parks, when under control of leash, in designated areas only. Owners shall be responsible for immediate cleanup of any excrement deposited by their animals.
