### Certificate of Occupancy

Number 20101222

Name:

Hawkins

Address:

56 Dahm Rd.

1 Millbrook, NY 12545

Grid #

0865.00.265763

On 12/20/10 a cursory walk-through was conducted of the additions added in '86 + '93 as well as 3 porches at the above referenced address. The inspection for a Certificate of Occupancy was exposed-to view conditions, directly visible and no destructive or intrusive techniques were employed, nor special apparatus to explore concealed conditions.

The building does not appear to present a compromise to the health and safety or wellbeing of any occupants and qualifies for a Certificate of Occupancy. However, this does not imply that the property is free of code violations. Should some future inspection reveal such violations, a building permit must be obtained by the owner and a Certificate of Occupancy or a Certificate of Compliance will be issued when corrective work has been completed.

In the event that erection, construction, enlargement, alteration, removal, improvement, demolition, conversion or change in the nature or the occupancy, will occur or has occurred, succeeding the issuance of this Certificate, appropriate building permits and Certificates of Occupancy/Compliance will be required.

Sincerely,

*John D. Neubauer*
