Re: Town of Washington Planning Board—Subdivision application of Timothy and Johna Clear

Dear Chairperson Meaney and Members of the Board:

As noted in my previous letter to the Planning Board dated February 5, 2024, our firm represents Mr. & Mrs. Clear on this application, which is on the agenda for the April 2, 2024 meeting for continued public hearing.

In order to avoid repeated requests for postponements, Mr. & Mrs. Clear hereby withdraw their present subdivision application, without prejudice to submission of a revised application in the near future. Among other things, the revised submission will address the Town's Natural Resource Inventory, which was published and adopted after the current application was submitted. A copy of this letter is being sent to the Building Inspector as confirmation of this withdrawal.

We therefore request that the matter be marked as withdrawn and removed from the Planning Board agenda at this time. The applicants express their thanks to the Board for its work to date in review of the application.

Very truly yours,
