GENERAL PROPOSAL REQUIREMENTS

The specifications outlined in this RFP will be made a part of any agreement entered into

between the Town and the selected individual or firm. All bidders should follow the format

specified below. Applicants should base their submissions on the details of this RFP, specifically the detailed information provided in the "Services Requested" section, along with any information provided in any addenda that may be issued.

1. Cover Page: The proposal shall include the RFP Title, date of submittal, company name, address, electronic-mail, and telephone numbers. This page should also include the main point of contact.

2. Resumes, Qualifications, and Experience: This section contains an overview of the bidder's background, training, and experience. Provide at least three but not more than five similar projects that you have completed in the last five years.

3. Services Provided: This section contains the information requested as detailed in "Services Requested" section of this RFP.

4. Pricing: The proposal shall include a complete scope of services and all associated costs and an explanation of how fees are calculated. Work performed by authorized subcontractors should be itemized using prevailing wages.

5. Certification: The bidder will provide a certification that the statements contained in the proposal are true and correct to the best of their knowledge.

6. Additional Attachments: All other attachments, e.g. required forms, company information, etc. or any additional information to be included with the proposal. Provide any additional information you would like the Town to consider and any value-added goods or services that Town might be interested in.

This Request for Proposals is not an offer of contract. Receipt of a proposal neither commits the Town to award a contract to any party, even if all requirements stated in this proposal are met, nor limits the Town's right to negotiate in its best interest. The Town reserves the right to contract with a bidder whose proposal is determined to be in its best interests. The Town reserves the right to reject any and all offers received. No proposals will be accepted from anyone who is in arrears for prior expenses or fees owed to the Town.

Expenses incurred in the preparation of proposals in response to this Request for Proposals are the bidder's responsibility. No work performed by the selected contractor that is out of the scope as defined by the contractor's proposal will be reimbursed unless specifically authorized by the Town in writing.

Once bids are opened, the information contained therein becomes freely accessible by the public.

SERVICES REQUESTED

The Town is seeking a qualified contractor to replace the sloped roof at the Town Hall building. The Town will rely upon the contractor's expertise and experience to suggest the best roofing solution suited to the building. This Request for Proposals identifies the requirements that are considered to be the minimum by the Town. Specific details described within this Request for Proposals notwithstanding, it will be the obligation of the selected contractor to adhere to accepted industry standard methods and practices in completing work and to complete a project that is consistent in terms of appearance and quality of materials and workmanship of other areas of Town Hall.

The proposed services must include, but need not be limited to, the following:

1. Complete turnkey project to remove and replace the entire sloped roof of the Town Hall building located at 10 Reservoir Drive Millbrook, NY 12545.

2. The general work to be performed in replacing the roof will be the following:
 - a. any necessary safety measures installed;
 - b. all electrical disconnections for the careful work around any telemetry or equipment on the roof;
 - c. complete removal of the existing roof and flashing;
 - d. installation of the roofing, flashing, and other appurtenances;
 - e. all electrical reconnections required for the proper installation of any telemetry or equipment on the roof; and
 - f. removal and proper disposal of project debris and complete site restoration.
3. Contractor shall protect and include all necessary electrical disconnections and reconnections for transmitters, appliances, and other equipment located on the roof.
4. Contractor estimate must provide total cost of the project, including draw amounts and dates.
5. Contractor proposal must provide a detailed description of work to be performed.
6. Contractor proposal must provide a detailed description of material(s) to be used.
7. Contractor proposal must provide a detailed description of warranty coverage, including specific manufacturer and installer warranties.
8. Contractor is responsible for securing all required permits and inspections.
9. On-site space requirements must be made known for the contractor and equipment parking.
10. Contractor must work with on-site project coordinator on timelines for project start and end. This includes working with local staff for access inside the building when necessary.

TIME OF WORK AND COMPLETION

The contractor shall complete all work by October 31, 2024. Any electrical work activities requiring power disconnection must be completed within 24 hours. The contractor shall not discontinue work for more than five (5) consecutive calendar days without the prior written approval of the Town Clerk or the building inspector. The work to be completed pursuant to this Request for Proposals will be scheduled between the hours of 7:00 am and 8:00 pm, Monday through Friday, unless the contractor obtains written permission from the Town Clerk or the Building Inspector.

MAINTENANCE OF PROJECT SITE

The contractor shall not work, store or operate equipment outside designated work areas without the permission of the Town Clerk or the Building Inspector.

The contractor's operations shall not interfere with Town operations and/or emergency vehicles. The contractor shall protect all abutting property from injury or loss and shall defend and save the Town harmless from all such damages, injuries and loss occurring because of his/her work. The contractor shall furnish and maintain all passageways, barricades, guard fences, lights and danger signals, and shall provide watchmen and other facilities as required by local conditions, all at no additional cost to the Town. The contractor shall assume full responsibility for loss or damage to the work during the entire construction period resulting from conditions and from all other causes whatsoever not directly due to the acts or neglect of the Town, including fire, vandalism and malicious mischief, and shall complete the work in accordance with this request for proposals within the time provided in this Request for Proposals.

CONTRACTOR REQUIREMENTS

The successful bidder will be required to agree to the below requirements, as well as prepare and provide the following:

1. The selected contractor will be required to assume responsibility for all services offered in the proposal whether or not they possess them within their organization. Further, the Town will consider the selected business to be the sole point of contact with regard to all contractual matters, including payment of any and all charges resulting from the contract.
2. The contractor shall be responsible for operating the site in a manner so as to minimize the risks associated with its being a nuisance during times when construction activities have been suspended and the site is not occupied by the contractor or its employees or subcontractors.
3. The proposal must include a list of similar roofing projects completed, as well as the name and contact information for that business or individual to use as reference.
4. The Contractor must be able to meet the insurance requirements specified in Appendix A.
5. Contractor, subcontractors and their employees shall be considered independent contractors and shall not be deemed employees of the Town for any reason.

SELECTION PROCESS

The Town will make its selection based on its review of the proposals submitted. The criteria will include qualifications, experience, fee structure, ability to meet the needs of the Town. The Town of Washington reserves the right to reject any or all the proposals, and to waive informalities in the proposals or the proposal process. The Town may interview selected bidder(s). The Town further reserves the right to award

the contract to other than the lowest bidder if such action is deemed to be in the best interest of the Town. The Town reserves the right to consider other factors not named here in making its decision. This includes timeliness, cost, quality of materials used, and documented experience pertaining to similar roofing projects.

PRE-BID ACCESS TO ROOF

Pre-bid access will be by appointment only. Prospective bidders are encouraged to conduct a site visit prior to bid submission. Access will be provided during regular business hours (9:00 am to 3:00 pm) the week of July 11 th .
