RE: Clear Subdivision
135889-6766-00-021055-0000
515 Woodstock Road
Town of Washington, NY

Dear Chairperson, Meaney and Honorable Members of the Planning Board:

In response to the October 1, 2024, Public Hearing Planning Board meeting, the following documents are included within this submission.

- Post-hearing Letter in Support of Conventional Subdivision, dated 10/22/24.
- Phase I Bog Turtle Habitat Assessment, dated 10/18/24.
- On Site Soils – Ability of Lots 1, 2 and 5 to Support Construction of Septic System, dated 10/22/24.
- Constraints Map, dated 10/22/24.

Thank you for your time and continued review of this project. Please feel free to reach our office with any questions.

Sincerely,
LRC Engineering & Surveying, DPC
